Experience an
EMORY
Education

Prepare yourself to meet the challenging health care needs of our expanding population through the graduate nursing programs at **Emory University's** renowned **Nell Hodgson Woodruff School of Nursing.** Graduates of our highly specialized curriculum excel in progressive practice and leadership roles in primary care, acute care and long-term care settings. Clinical preceptorships are in excellent sites, each widely recognized and respected for its vision and innovative initiatives. Emphasizing an interdisciplinary approach, the programs include course work on health policy and specialty-specific issues with the School of Public Health. Candidates can also study health care ethics with the profession and in the University's Center for Ethics and Health Policy. Join us and experience these advantages:

- World-class affiliations including: The United States Center for Disease Control and Prevention, The American Cancer Society and The Emory University System of Health Care.
- Faculty recognized throughout the world for leadership in research, practice and education.
- Specialty tracks: Critical Care, Oncology, Medical/Surgical and Psychosocial; community-based tracks: Adult, Family, Gerontological and Occupational Health.
- Programs including: MSN; RN to MSN; Dual Degrees: MSN/MPH; and part-time post-Master's NP.
- Exceptional flexibility for tailoring specialization and electives.

Our Atlanta, GA location offers a stunning diversity of entertainment and recreational options. Here, your intellectual pursuits will be enriched by a city whose tree-lined streets are alive with the energy of our culturally vibrant communities.

For information about our curriculum, financial aid or enrollment, please phone us toll-free:

(800) 222-3879

Or write to the **Office of Student Affairs, Nell Hodgson Woodruff School of Nursing, Emory University, Atlanta, GA 30322.** Emory supports affirmative action.
